Instructions for filling in the bond

Debt capital Enter the amount of debt capital in letters and in numbers.

Currency Enter the currency using the international abbreviation.

Interest Enter the interest rate per annum in letters and in numbers.

Recovery and/or renewal fees

Enter the amount of fees in letters and in numbers. Enter the currency using the international abbreviation.

Aircraft The principal identifying data for the aircraft are the serial number and the aircraft registration; these must be entered exactly as on the registration certificate.

Date The document must be dated when it is signed. The bond shall be valid from the date of signing as specified in Finnish law.

Debtor The debtor commits to the debt by signing the bond. A person signing the bond on behalf of a corporate body must be duly authorised to act for that body.

The name of the corporate body must be entered on the bond exactly as it is entered in the Trade Register, Association Register or Foundation Register.

Owner's consent

If the debtor is not the owner of the aircraft to be mortgaged, consent is required from the owner of the aircraft entered in the aircraft register.

If an aircraft has several owners, only one or some of whom are debtors, consent is required from those owners who are not debtors.

If the owner of the aircraft is also the debtor, signing the bond shall be considered to indicate consent; no separate owner's consent need be given in this case.
